Control with any Matter smart home platform

This product is Matter certified, allowing easy control through Google Home, Amazon Alexa, Apple Home, or any other Matter-based smart home platform of your choice.

Set up lights to follow your own schedule

Automate your smart lights to follow your daily or weekly routines. Schedule your lights to turn on in the morning or before you arrive home, and to keep them off to save energy, when they are not necessary.

Millions of colors and changing light modes to make your day

Choose any light color you like or simply apply a dynamic light mode we designed for you. Fireplace or Ocean, for example, will help you create an amazing atmosphere and lift your mood.

Set the right ambience with tunable warm to cool white light

Choose from a wide range of energizing cool white to soft warm white light, or simply select from the preset modes such as Focus and Relax to create the best ambience for your activities.

Dim your smart lights even without a dimmer

Simply adjust lights to your desired brightness level using your smartphone, the WiZ control accessory or just your voice. No need to install an expensive dimmer!

Control your smart lights from anywhere

No need to worry if lights were left on while no one's home. Simply turn them off from wherever you are, with your smartphone.
