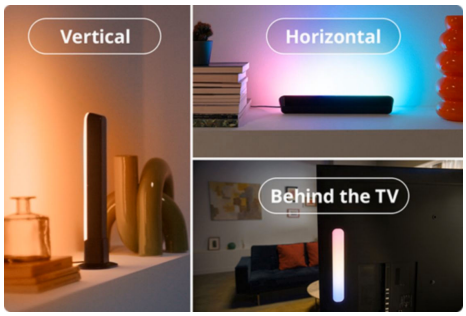
Gradient Light Bars

Bring dynamic lighting to your home with the WiZ Gradient Light Bars (2 included). Enjoy RGBIC technology for multi-color displays. Position them horizontally, vertically, or behind your TV to create the perfect ambiance. Pre-set modes let you switch among dynamic,static or customizable light modes. You can even have the lights pulse to music, or sync with your TV screen (HDMI Sync Box needed).

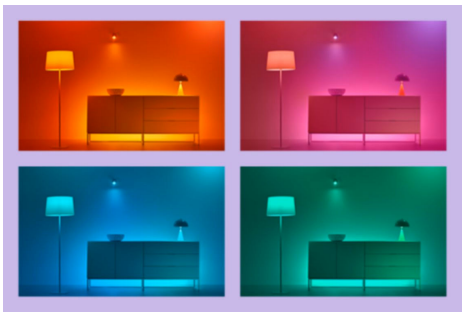
PRODUCT HIGHLIGHTS

- Multiple colors at once
- Multiple placement options
- Sync with TV (Sync Box needed)

Control with any Matter smart home platform
This product is Matter certified, allowing easy control through Google Home, Amazon Alexa, Apple Home, or any other Matter-based smart home platform of your choice.



Use it how and where you like
Place our Gradient Light Bars horizontally or vertically on a TV cabinet or desk, or mount them behind your TV/monitor using the magnetic back brackets. With a 100° rotation, you can spread the lighting effects to create the perfect atmosphere.



Millions of colors and changing light modes to make your day
Choose any light color you like or simply apply a dynamic light mode we designed for you. Fireplace or Ocean, for example, will help you create an amazing atmosphere and lift your mood.

Sync Lights to Music
Dive into the rhythm with our Music Sync feature. Effortlessly synchronize your lights to your favorite tunes. Just remember, keep your mobile device near the speaker for perfect harmony between sound and light.

Immersive surround-lighting
Sync your lights with music and video using the HDMI Sync Box to enhance your entertainment experience. Perfect for movies and gaming, the Sync feature creates a truly immersive, theater-like atmosphere that brings your content to life.

Static and dynamic light modes to lift your mood
Choose from millions of colors or from the set of light modes we've designed for you. With so many options, you can bring the magic to all your holidays, parties, intimate get-togethers, and daily vibes!
