### Control with any Matter smart home platform

This product is Matter certified, allowing easy control through Google Home, Amazon Alexa, Apple Home, or any other Matter-based smart home platform of your choice.

### Set up lights to follow your own schedule

Automate your smart lights to follow your daily or weekly routines. Schedule your lights to turn on in the morning or before you arrive home, and to keep them off to save energy, when they are not necessary.

### Set the right ambience with tunable warm to cool white light

Choose from a wide range of energizing cool white to soft warm white light, or simply select from the preset modes such as Focus and Relax to create the best ambience for your activities.

### Dim your smart lights even without a dimmer

Simply adjust lights to your desired brightness level using your smartphone, the WIZ control accessory or just your voice. No need to install an expensive dimmer!

### Control your smart lights from anywhere

No need to worry if lights were left on while no one's home. Simply turn them off from wherever you are, with your smartphone.

### Standard size, extra brightness

With its standard A19 shape and E26 base, this bulb is suitable for most sockets in most homes, but it's powerful enough to light up your home with bright 1550 lm light.
